

Term 4 in Year 4

Maths

In term 4, we will be turning our attention to fractions. We will learn about proper and improper fractions, mixed numbers and how to add and subtract fractions. This will build on our knowledge of fractions from year 3.

Mathematician

States of Being

English

In English this term, our key text is *Sword of the Viking King* which links to our new enquiry. It is about King Alfred and will give us wonderful opportunities to write character descriptions and exciting plots. We will turn our attention this term to how we can develop a character, using a range of nouns and pronouns and show the reader how a character feels rather than simply telling them.

States of Being

Author-Writer

Enquiry

Our big question this term is 'Who stood here before us?' It is a fantastic Enquiry about invaders and settlers: the Anglo-Saxons and the Vikings! We will learn who each were and why they invaded Britain, then turn to the conflict between them and how it was resolved. From there we will become artists, looking at the work of Julie Woodrow to inspire our own clay head models as our final challenge to portray these two groups of people.

States of Being

Artist

States of Being

Historian

PSHE

Our PSHE unit this term is called 'Healthy Me'. We will explore the way people behave in friendship groups and also that it is okay to have different groups of friends and that these can change.

RE

In RE this term, we will be understanding Christianity further, answering the question, 'Why do Christians call the day Jesus died 'Good Friday'?'

Spanish

In Spanish this term we will be focusing on the themes of sports and healthy eating as well as some Easter traditions.

PE

PE days will be **Monday** and **Wednesday**.

On Monday, we will be doing gymnastics.

Wednesdays PE lesson will be dance.

States of Being

Athlete

Music

This term in music Year 4 will be preparing for our play, 'Porridge', practicing all those songs for our end of term performance!

Musician
